

Graham Cooke has a passion to bring God's people into deeper levels of relationship and intimacy with the Lord. His life and ministry are underpinned by his delightful, intimate and unreserved two-way friendship with God. He inspires others to pursue God with abandon...letting go of old mindsets and opening up a radically new understanding of who God really is. He brings insight, hope and vision for the future of individuals, churches, cities and nations through prophetic ministry and powerful teaching. Originally from Manchester, England, he now lives in California. He is the founder of Brilliant Book House and My Emerging Light.
